

Pre-study of the impact of implementing the EN in PEPPOL

**MEETING MINUTES FROM ONE OF THE
FOUR GROUPS**

DISCUSSION 1

Top level codes:

- AB Acknowledged:
- CA Conditionally accepted
- RE Rejected (M)
- AP Accepted (M)

New codes to be submitted

- IP In process (M)
- UQ Under query
- PD Paid
- FN Available to finance

* Response within 3 working days

General comments

- Dangerous to open up for the possibilities to reject invoices that you do not like
- In Denmark we would not reject but put it on hold (code UQ under query)
 - If they do not provide required references it will not be paid
